Professional Registered Engineer in the following states:

Alabama	Florida	Maryland	North Carolina
Arizona	Georgia	Mississippi	Tennessee
Colorado	Louisiana	New Mexico	Texas

MEMBERSHIPS

- National Society of Professional Engineers (NSPE)
- Association of Energy Engineers (AEE)

EXPERIENCE

Tim is a Principal at HESM&A and has over 27 years of electrical design and project management experience in power distribution, lighting, fire alarm and security systems. Nine of those years were spent working for a design-build contractor which afforded invaluable insight into pre-design, construction and value engineering activities.
